Job Opening

Squash Professional

MSquash Accelerator, Port Chester

Job Summary:

MSquash is opening a brand new high-performance center in Port Chester NY and is looking for a coach who is passionate to help us get the best out of every player in a high performance environment with attention to the love of the game.

MSquash will build out a Junior and Pro Academy and will welcome squash loving adults too. You will be part of the team from the very start and ambitiously help us build the program, using the newest training technology around. You will assist us in running the year-round program with group and private sessions, help us run tournaments and summer camps, do tournament coaching and much more. The position will be a full-time coach flexible for day, evening and weekend work as well as tournament travel to support our players in action. We are looking for an engaged, energized person who has preferably 3-5 year of coaching experience, and absolutely loves working with athletes and cares for them with a holistic approach.

For more background on MSQUASH, visit the following:

- Website: www.msquash.com
- Facebook page: www.facebook.com/msquashshaunmoxham

Start Date:

- Can be flexible. Preferably from April or September 2018 onwards

Requirements for the position:

- Strong playing background, either 4 years of collegiate squash or professional squash experience
- Minimum squash skills of US rating 5 or higher
- 2-3 years of club coaching experience is definitely a plus
