First Annual CitySquash Serves a Success!

7 Service Projects across 3 Boroughs
125 team members, family, staff, and board
Over 250 hours of community service

CitySquash team members, family members, staff, and board fanned out into the Bronx, Brooklyn, and Manhattan for the first annual **CitySquash Serves** day of community service! 125 participants in total rolled up their sleeves across 7 service projects, including delivering meals to home-bound seniors, removing invasive plants

along the Bronx River, walking dogs at an animal shelter, and packing lunches for Habitat for Humanity volunteers. Afterwards, groups reflected on their projects and impact before coming back together at Fordham University for a celebration. Many thanks to all of our community partners, including the **Bronx River Alliance**, **Sean Casey Animal Rescue**, **Citymeals on Wheels**, **Habitat for Humanity NYC**, **Project Harmony**, and more.
