

## Poly Prep Athletic Center: Squash

### BUILDING LIFELONG SKILLS FOR THE NEXT GENERATION OF LEADERS

The new Poly Prep Athletic Center is being constructed of steel, glass, and wood. At completion, it will stand two stories tall. It will project strength, confidence, and have a unique character all on its own. Exactly the traits we expect our students to achieve during the time they spend within its four walls.

Nestled within, will be an 8,800 square foot state-of-the-art squash center, able to accommodate 300 spectators on six McWil squash courts: four standard courts with bleacher seating and two all-glass show courts with a combination of bleacher seating and stadium-style seating.

The size, scale, and grandeur of this architectural gem will allow Poly to open its doors to the greater squash community and form alliances with elite developmental organizations that make a difference in the lives of students: U.S. Squash Sanctioned Tournaments, CitySquash, and Nicol Champions Academy.

#### PROGRAM HIGHLIGHTS

- 1963: Poly squash is founded
- Poly squash currently serves over 150 students
- Poly Prep will be the only high school in the world with two four-glass courts
- This center will house U.S. Squash Sanctioned Gold Junior Tournaments
- The new center will be home to CitySquash and Peter Nicol's Elite Junior Academy
