Re: A “Friendly”

Dear Alex:

I am writing to encourage you to make an exception to your ban preventing PSA members from competing in squash matches affiliated with the PST and accept the following challenge match.

The Match:

A “Friendly” between PSA’s Champion and PST’s Champion

Date: Any time

Site: Any place

Rules: PST Rules of Play

One match, one winner, zero lets.

This “Friendly” clash of titans will grab the attention of the world community and be a unifying force to help promote and grow the game.

As you have two World Champions (World Series and World Open) from this season, I will leave it to you to determine the most appropriate player to invite. The PST World Champion will be crowned on May 6 at the Detroit Athletic Club, and he will represent PST.

Please send your acceptance by May 1.

Best,

Joseph M. McManus
